MotorMVB, Foundation, Inc. joins the global #GivingTuesday movement and pledges to grow boys' and men's volleyball opportunities

LOS ANGELES, CA – MotorMVB, Foundation Inc. has joined #GivingTuesday, a global day of giving that harnesses the collective power of individuals, communities and organizations to encourage philanthropy and to celebrate generosity worldwide. www.motormvb.com/contribute

Occurring this year on November 28, #GivingTuesday is held annually on the Tuesday after Thanksgiving and the widely recognized shopping events Black Friday and Cyber Monday to kick off the holiday giving season and inspire people to collaborate in improving their communities and to give back in impactful ways to the charities and causes they support.

MotorMVB is an awareness campaign, an advocacy campaign and a capital campaign to create more opportunities for boys and men to play competitive volleyball in the United States. MotorMVB is especially focused on driving growth in the amount of collegiate men's volleyball teams and the amount of college scholarships that are available. Ultimately, MotorMVB expands education opportunities so student-athletes can receive scholarships, compete on the court, get a college education, and grow as leaders.

To achieve this, MotorMVB brings together an influential cross-section of leadership in the game of volleyball to advocate, grow awareness and financial resources. The **MotorMVB Foundation was founded by U.S. Men's National Team Coach and UCLA head coach John Speraw** who serves as the foundation's Chairman of the Board. The MotorMVB Foundation has raised \$936,000 so far in 2017.

#GIVINGTUESDAY is one tool MotorMVB is using to achieve a year-end goal of raising \$11,000 from new donors in order to receive an additional \$11,000 in matching gifts that has been presented by MotorMVB Foundation's board members.

"It is an honor to serve as Chairman of the MotorMVB Campaign. I invite you to join with me and make boys' and men's volleyball a philanthropic priority for you and your family. In order to seize the moment during this amazing time in the sport of volleyball, we seek your guidance, your contacts and your active support. Nothing is more important than providing opportunities for young people in this country. Thank you for helping us do this." - John Speraw, Chairman MotorMVB, Head Coach US Men's National Team, & Head Coach UCLA Men's Volleyball
